

# Short Line For Tabs Won't Last

Now is the best time to get 1966 license plate stickers, according to Charles W. Creighton, manager of the Torrance office of the Department of Motor Vehicles, 1907 Border Ave.

Creighton said today that lines have dwindled at his office during the last week, and that the license tabs can now be issued with minimum delay.

"Put the validated 1966 registration on the steering post, and the chrome-yellow sticker in the upper right-hand corner of the rear plate and you'll be through for another year," Creighton said.

"This slack period will probably last another week or more before the waiting lines at our windows grow longer," he said. "We are expecting a heavy rush before the Feb. 4 deadline."

The DMV manager said that vehicle owners who have not yet received a registration statement card in the mail should take their 1965 registration cards to a DMV office. "We can compute fees and issue 1966 registration from the previous year's registration card," he said.

All DMV offices are open on Saturday until noon until Jan. 29, in addition to normal 8 a.m. to 5 p.m. weekday office hours.

## Harbor College Student Officers Elected

Tom Skinner of Palos Verdes Estates has been elected president of the Associated Students Organization (ASO) at Los Angeles Harbor College for the Spring semester.

Skinner, who ran on a ticket with Gene Rogers of 22733 S. Main St., was elected during balloting Thursday and Friday. Rogers is the new vice president.

Both officers represent the Ark Party. Opposition was provided by Jim Burke of San Pedro and Diane Smith of Palos Verdes Estates, nominees of the Answer Party. The campaign was the first for both parties, with the Skinner-Rogers ticket winning 287 of the 472 votes cast.

Skinner was director of athletics in the executive cabinet during the fall term. He is a member of Alpha Phi Omega, men's service fraternity, and served two terms in the student senate. He also is a photographer for the Harbor Hawk, student newspaper.

Rogers, who served three terms in the senate, currently is director of publicity in the executive cabinet. He was elected most valuable senator during the fall term.

Newly elected members of the student senate include: Danny Alford, Lynn Anderson, Joe Babcock, Judith Benoit, Pete Blaglich, Warren Boyd, Barbara Brady, Pam Brown, Vince Budrovich, Memry Chapelle, Richard Dore, James Garrett, Mike Hammond, James Van Hook III, Barry Inklam, Dan Imagliazzo, Cathi Kemp, Alan Korn, Mary Lohmiller, Roger McClanahan, Joen Mascolo, Gayle Press, Dana Rohrabacker, Danny Trutanich, Kit Schwalm, Patty Shier, Debbie Smith, and Starr Wilson.

## 200,000 Now Lie at Rest In Cemetery

The 200,000th person was laid to rest in Inglewood Park Cemetery this week, according to Mason Lettau, general manager.

The cemetery was founded in 1905 by George H. Lettau, father of the present manager, and by Charles B. Hopper. It is a non-denominational cemetery, one of the largest in the world. It has 350 acres and is the resting place for many pioneer California families.

In noting the 200,000th interment, Lettau said the cemetery would "continue our creed of the finest service to our community."
